

Job Qualifications:

- Christian with a strong spiritual commitment to Jesus Christ who demonstrates a Christ-centered way of life through a passion for prayer, scripture, ministry, and sharing of the gospel.
- Proficient in at least one instrument from which worship can be lead (preferably piano or guitar).
- Proficient working with chord charts, sheet music, and guitar tabs.
- Capable of music arrangement (Preferred).
- Leader of worship that includes many different types of music and cultures.
- Comfortable leading various instrument and voice types.
- Willing to include all types of arts in worship.
- Quality vocal skills, as well as the ability to lead others in these skills.
- Focused on spirit lead worship and not technical perfection.
- Is up to date on all types of worship, music and music technologies.
- Basic knowledge of music software.
- Good communication and English skills (written and oral) with the ability to encourage people.
- Works well with others and has strong team building skills.
- Respects, values, and celebrates cultural diversity.
- Capable of discussing and creating ideas with other members of church leadership.
- Formal education preferred (Bachelor's degree in music, worship, or related field) or proven experience necessary to perform all the various aspects of this ministry.
- Proficient in video and live-streaming technology.
- Knowledge of CCLI and music copyright law.
